

Arlington Baptist College
General Studies – Online Degree Completion Program

BIBLE – GENERAL STUDIES

PROGRAM OBJECTIVES

The graduate who completes this program will:

1. Relate the principles of the Word of God and Christian living to a broad range of lay ministries.
2. Provide an understanding of the place of the local church and the contribution of Baptists to gospel work.
3. Develop a foundation on which to build a philosophy of Christian ministry as a dedicated lay person.
4. Create an awareness of various ways of carrying out God's will in the church or in a church related ministry.
5. Instill an appreciation for the gospel ministry as a personal undertaking for all Christians.
